

OUTBACK STEAKHOUSE NUTRITION

The nutritional values provided herein are based on standard company recipes. The nutritional analyses which produced the nutritional values of the company recipes were derived from supplier nutrition information, the USDA database and an independent lab. Menu items are hand-prepared and nutritional values may vary from the stated amount. This information is updated periodically to reflect our current product offerings. Nutrition information is updated when new data is recieved from suppliers. Due to this reason, calories on the print menu may differ from online information. The online information in this document is the most up to date.
